PEWTER 7055

Frameless integration of your blinds with your window.

Child safe by design, Intu eliminates the need for free hanging cord loops and is a unique screwless and tensioned system that gives a beautiful and elegant finish.

Suitable for tilt and turn windows as well as glazed doors and with a range of colour finishes to match any frame.

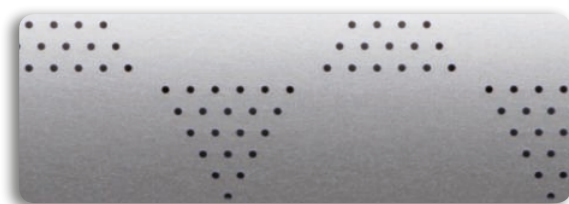

look for the **intu** logo for compatible slats.

4544

7010P-TRI

A stylish and practical solution

So neat they become part of your window, perfect fit frames contain the blind so they move with your windows.

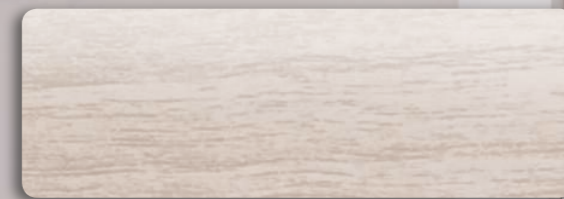

The frames slot in so easily, that they will look like they have always been there.
